

valtrex generic reviews

For Herpes Simplex, Mucocutaneous/Immunocompetent Host: "Please note that not all generic Valacyclovir are created equal. I have taken brand Valtrex mg/day for several years. My insurance switched and they will now only cover generic/ValAcyclovir. I tried Milan, Sandoz, Aurobindo and Tera pharmaceutical and. Valtrex (valacyclovir): "I've been using Valtrex for the past 5 years, both episodically and for suppression. I've done a year of suppression twice now and have had excellent results both times. Used episodically, I'm always better within three days. It's been a life saver for me. Just remember, you may have herpes, but it. Rated Valtrex for Chronic fatigue syndrome (CFS; CFIDS; M.E.) Report. I have taken valtrex (or its generic form) daily for over 20 years. It has been a miracle drug in stopping regular, extremely painful, blistering outbreaks. I have had widespread facial herpes since childhood, and am now in my 60s. I sometimes still can feel. Upsides. Available as a generic, so it's relatively cheap. Valtrex (Valacyclovir) has very few interactions with other medications. Works well for most people to shorten the duration of outbreaks. You don't have to take this medicine as often as other antiviral alternatives. Tried Valtrex? Write a review! Worth it. Not sure. I was prescribed mil. of the Valtrex generic once a day. Since then I had been herpes-free for 10 months. I have now started an outbreak. The dr. said when I sensed an outbreak coming on, I could take 4 a day (mil.). Has anyone else been given this advice from your dr. and taken 4 a day during an outbreak? Find user ratings and reviews for Valtrex oral on WebMD including side effects and drug interactions, medication effectiveness, ease of use and satisfaction. Feb 1, - I wonder if anyone could chime in who is taking generic valtrex (valacyclovir) It went generic not too long ago and it looks like the following. Recently, when Valacyclovir came out, my insurance will no longer approve my Valtrex so they switched me to Valacyclovir. I am taking the same dose I was and I know the Valacyclovir is supposed to be the same as Valtrex only the generic version, but I gave noticed that it does not work nearly as well for.
