Yet another federal appeals court has ruled that if companies don't have a signed confession they can't sue pharmacies such as Walgreens WAG for fraudulently inflating the price of prescription drugs by up to four times their normal cost. Featured in Moneywatch 20 of the coolest places to retire in the world Find out what activities and attractions make these 20 cities and town some of the best places to retire around the world 10 products you should never buy generic Generics are a great way to save money in lots of cases, but here is a look at some clear exceptions. Pirelli did not "provide facts showing that any individual at a Walgreens store made a misrepresentation or concealed a material fact. Generics are a great way to save money in lots of cases, but here is a look at some clear exceptions. But getting the best price on generics isn't as easy as ordering them at standard co-pay prices through employee-insurance mail-order programs. New Fire TV App. Last Updated Jan 24, 1: Perhaps you're sacrificing food or other necessities to buy medications. Costco is often cited as the best source of generics because it charges a flat percentage over its cost for each prescription. The part of the ruling that is least controversial is where the court rules that Pirelli couldn't demonstrate that it was damaged by the scheme -- a search of its own database found too few cases in which patients appear to have been improperly switched. But the facts as they apply to Pirelli are not as important as the broad principle that the court affirmed, which will only lead to higher drug prices: Jackson speaks to the public on the safe and cost-effective use of medications. Treat buying generics without insurance like buying a toaster oven, snow blower or big-screen HDTV: If only a brand-name is available, ask the doctor's office if it has any coupons.
