View All. Show Selected Prescription. Promethazine Hydrochloride/Codeine Phosphate mgmg/5mL Syrup. This medicine is a colorless syrup. and is manufactured by Morton Grove Pharmaceuticals Inc, a subsidiary of Wockhardt, Ltd.. View Prices. What are cough and cold medicines? However, several cough and cold medicines contain ingredients that are psychoactive (mind-altering) when taken in higher-than-recommended dosages, and some people misuse them. Cough syrups and capsules containing dextromethorphan (DXM). Mar 9, - The concoction inside mixes Faygo Redpop, a strawberry-flavored cream soda, and promethazine codeine cough syrup, a prescription pain reliever and cough suppressant He's made good headway on his Redpop, and his relaxed vibe reflects it the effects include numbness, lethargy, and euphoria. Aug 30, - Actavis, the so-called Rolls-Royce of lean, the paragon of codeine/promethazine cough syrups, is no more. Actavis put out a masturbatory press release on their corporate responsibility. Users say that Actavis brand is the best tasting and the strongest. They would resort to saying they were allergic to. Jan 15, - Hi-tech is just as good as actavis. Now, qualitest is the most carried at pharmacies because it is for diabetics and it cost less because they don't add any glucose (sugar) to their product. Qualitest is the only brand that works less because it's simply not a syrup it has the consistency of water. By adding corn What is the difference in yellow, purple and red syrup. Jan 23, - Doctors are increasingly concerned about young people seeking a high from sizzurp, a candy-flavored cough syrup concoction popularized by rap singers. The use of opioid drugs along with a benzodiazepine drug or other drugs that may make you drowsy or slow your actions has led to very bad side effects. Side effects that TELL YOUR DOCTOR: If you have an allergy to codeine, promethazine, or any other part of this drug. HOW IS THIS DRUG BEST TAKEN? Use this. Apr 25, - Not all candy-flavored cough syrups are being taken away from us, and it's not becoming illegal. So if you can get a prescription for it, and then you mix it with codeine, which is also still legal, you can make genuine and by some accounts legal, though extremely sketchy, dangerous and inadvisable Lean. Apr 23, - Actavis, perhaps the most popular and recognizable brand of lean (promethazine and codeine cough syrup) is stopping production. of the stuff, yet thousands of bottles of Actavis have been making it onto the black market, then embarrassing the good people at Actavis when they're abused and glorified. Jan 23, - Need something to stop that cough? Learn more from WebMD about the ingredients and purposes of the various types of cough syrup and cough medicine so you get the right treatment.
