However, why risk a reaction when he didn't think I needed it. Anybody with extra Clomid? Secondly, once you are pregnant you are going to have to be half naked many times in a room with strangers. Its a great site and the meds are legit I've already recieved that above listed in the mail.. When we moved back to this tiny town, I no longer have my trusted RE from the big city we used to live in. Aleksandra - February I came from a very small town in which everyone knew everyone's business and people talked about each other constantly. Good luck to you and keep us updated. JorjaLane - February Children LOVE to share new information. It sounds like the OP is familiar with the drug. So let them talk, and go on about your life, and if someone confronts you with their disapproval, you can tell them it's not their job to run your life and they can F off! And no one will know hour business except the doctor and the pharmacist. Clomid Success Stories For Nov If it doesn't work the 1st cycle I will increase the dosage to mg and I will try days RSS topic feed Posts: I would never buy any pills from a secondhand site but that is just me. Many people out there go through it. Pages 1 You must login or register to post a reply.
